2. Copyright of the image and any components used must belong to the author.
3. The Guernsey Salon has the right to use any image entered for publicity purposes including use on a CD and our website.
4. Where manipulation or adjustment has been applied this must have been carried out by the entrant.
5. All entries must be accompanied by a completed entry form and appropriate fee.
6. All submitted CDs / DVDs will be destroyed at the end of the exhibition.
7. Entries must not have been accepted into any previous Guernsey Salon Exhibition or be very similar to a previous accepted image in any class.
8. Mono definition: White and any shades of a single colour. If any other colour, no matter how small, is included it is then deemed to be a colour image and will be discarded and omitted from selection.
9. An individual image may only be entered into one class of the exhibition and must not be very similar to an entry in another class.
10. An image may be removed from the Exhibition if in the reasonable opinion of the Guernsey Salon committee the image does not conform to the entry conditions or is deemed unsuitable for public exhibition.
11. Each Author may submit up to a maximum of four entries per class.
12. Where an entry is received without payment it will not be judged.
13. The Guernsey Salon has only one selector (judge) so marks are not given to each image. The selector ranks the images e.g. 'In', 'Maybe' and 'Out'. If there are too many 'In' then a second or third ranking is carried out until the appropriate number of acceptances are achieved.
14. The submission of an entry signifies acceptance of these rules and conditions
